

# Project A.W.A.R.E.

2024-2025

Project A.W.A.R.E (Advancing Wellness and Resiliency in Education) Texas aims to strengthen community and school-based supports for the mental health, wellness, and resiliency of students. Funded by the Substance Abuse and Mental Health Services Administration (SAMHSA), AWARE Texas is a collaboration between the Texas Education Agency, Texas Health and Human Services Commission, the Texas Institute for Excellence in Mental Health, Education Service Center 13, and three Texas local education agencies.

## GOAL ONE

Increase and improve access to culturally and developmentally appropriate school- and community-based mental health services.

**3**  
School districts

San Marcos CISD

Manor ISD

Elgin ISD

**9**  
Schools

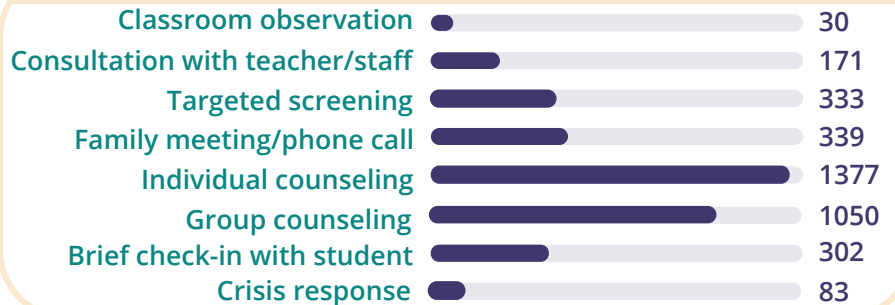

**394**  
Students referred

**95%**  
Students served

### Total number of service events

## GOAL TWO
